

Bahamas energy storage solar company

Overview

Our residential solar installations help homeowners save on energy costs while protecting the environment. Partnering with government entities, we implement large-scale solar projects. Is your electrician solar trained and how many solar projects has he done?

Does your roof have a southern-facing side and is it sun-exposed or under the shade?

why choose us?

There are a lot of folks claiming to be solar installers. We offer customized solutions tailored to your specific needs. We evaluate your home or business's energy usage and utility rate to determine potential solar savings. With the initial. We offer more than just solar. SGS provides the latest in solar and energy storage. Island Solar is based in Nassau, Bahamas and is committed to installing safe, high quality, code compliant and long lasting solar electric (photovoltaic) systems in the Bahamas and across the Caribbean.
