Energy Storage Battery Cabinet Two-Way Charging Product Warranty

Overview

Warranty: Ten-year (10) warranty on battery modules with start date up to 20 weeks after shipment. The Vertiv™ EnergyCore Li5 and Li7 battery systems deliver high-density, lithium-ion energy storage designed for modern data centers. Secondhand product may carry a partial warranty subject to its previous operation/install/de-install conditions. This Warranty is non-transferable except where the Products are installed in a building, this Warranty will then transfer to any subsequent purchaser of that building or of the Products. The PWRcell 2 Battery Cabinet can be configured for 9-18 kWh of storage capacity using 3. Purpose-built for critical backup and AI compute loads, they. Subject to the terms of this Limited Warranty, Enphase Energy, Inc. Similar to your laptop or cell phone battery, you will notice over some time that your battery will be challenged to hold a charge for as long as it used to when it was new. A standard battery warranty should come with at least 10 years of protection, though it can be shorter depending on how often you charge and drain your battery. Battery warranties typically won't reimburse for labor costs associated with.
