

Gambia solar cabinet system manufacturer

Overview

Company profile for installer Wagner Solar (Gambia) Ltd. Wagner Solar Gambia is a beacon of sustainability in the region, distinguishing itself as one of only three enterprises capable of harnessing solar power to bring clean energy solutions to The Gambia. We are committed to renewable energy, and proudly power 90% of our operations through solar. Gambia, a nation with abundant solar potential, faces challenges in stabilizing its power supply. Energy storage systems (ESS) bridge this gap by storing excess energy generated from renewables like solar and wind. Think of ESS as a “energy bank” —saving power during peak production and releasing. From providing grid-connected solar systems for home users to supporting commercial, industrial, and utility-scale solar power generation, solar photovoltaics are reshaping the way Peru generates, distributes, and consumes electricity. 7 million over the course of 4 years.
