

How to open the new energy battery cabinet cover

Overview

There are two holes on the battery door cover, please open from the upper hole. The way the battery is opened differs for each different battery case type: Situation 1: The battery case has screws that are visible on top of the battery. And this video will show you how to do that!. And this video will show you how to do that! Scroll to the bottom of any page to find a sun or moon icon to turn dark mode on or off! How to open battery case?

Hi!Has anyone opened a battery case like this?

I'm just wondering if at some point I would have to replace the BMS unit, would it be a hard job?

Is the BMS unit mounted directly under. Please use your thumb or forefinger's nails to pull down the upper hole and you can easily take it off. Please pay attention to the direction of force, pull down, not pull out. 4-13/F, Building A, Sino-German (Europe) Industrial Park, Hangcheng Blvd, Bao'an District, Shenzhen, China +86 755 2747 1942 www.kka-industrial-storage.com.
