

IP55 Solution for Communication Equipment Room Racks

Overview

IP55 enclosures offer a balanced level of protection for outdoor telecom, electrical, and industrial equipment, providing reliable performance across most climate zones. When properly selected and equipped, they ensure long-term operational stability even in demanding conditions. We Produce IP54, IP55, IP65 Range Cabinets & Enclosure Which are Pole Mounts, Wall Mount & Floor Mount. These cabinets can vary in size, from relatively small street-side cabinets to large walk-in cabins located trackside green field sites, street-side etc. What's Included! Fully enclosed Rack with cooling vents, 2 fans, easy wiring & sealed door Why Choose It?

It features front and rear doors for. We've solved the "overheating in summer" problem. Protect your critical gear with our double-walled protection. With front and rear doors, allows easy access for installation and maintenance while the o-ring around each door creates a water resistant seal. Robust Ratings: Available in IP55, IP65, NEMA 3R, NEMA 4, and NEMA 4X ratings, perfect for outdoor electrical, telecom, and battery cabinet applications.
