Help others learn more about this product by uploading a video! Thank you for your feedback. Its new auto detection feature makes installation easy and fast ensuring the UPS configuration is complete and. A+ grade full new battery cells. Cooli Battery Cabinets (48V-512V) Application scenario□ Used for solar panels□mountain communication base station□communication base staion energy storage; backup power□home energy storage and industrial energy syorage. High capacity:High voltage.

Article Content

grammaticality

Your best form is "How much is it?" if you want a natural sound. For "What is the price," it is better to ask "What is the price of ABC" or just "What is the price?" Asking "What job are you?" is ...

"price on" and "price for"

1) Before the distributor can quote you a price on an equivalent pump, a sales engineer has to identify all the specifications of the existing unit, such as shaft, mounting, ports and displacement, ...

"Pricey" vs. "Pricy"

Etymonline confirms: "1932, from price + -y ". Pricey has always been more popular than pricy. Pricey is getting even more popular, while pricy fades in comparison. So the bottom line is: both spellings are ...

Which is correct, "sales price" or "sale price"?

I have a list of items with their details such as item name, quantity, purchase price, sales price/sale price, etc. What is more correct to write in the heading, sales price or sale price?
