

Price comparison of off-grid modular solar cabinet mobile units in namibia

Overview

Entry-level options start at \$3,800 using refurbished components, but warranty terms vary wildly. Most SMEs opt for 20-50kW hybrid systems. 08/kWh—that's 23% cheaper than Windhoek's grid electricity during peak hours. We specialise in the design, manufacture and installation of mobile prefab units. We cater for custom build type units, as well as universal standard design. We have mastered the art. A convenient solution for last-minute requirements and long-term use, these prefabricated buildings are delivered fully assembled and ready for occupation and can be easily relocated. They are suited to both urban and remote locations and can be used as offices, storage rooms, ablution facilities. Low Cost Merchandisers started off as Low cost Enterprises in 1999 November. Mobile units are manufactured using a number of different methods, depending on the client's. A typical 5kW system with lithium batteries now covers 90% of household needs.
