

Sierra leone solar street light village dedicated

Overview

Dong Tai Stone Mining Company (SL) Ltd has installed 20 sets of solar-powered streetlights in the Rochen Kamandao community, located in the Yoni Mamaila Chiefdom, Tonkolili District. KARYADU, KONO DISTRICT, SIERRA LEONE, November 15, 2018 / EINPresswire. com / — On Sunday, the families of Karyadu woke up to a new reality and a brighter future filled with opportunities and potential. From now on, all the families in the village will enjoy lights in the dark, their kids will be. Inlux Solar has finished a street light project in Sierra Leone, providing advanced solar lighting solutions to enhance safety and sustainability. 5-meter cast aluminum poles, 80W high-brightness LED luminaires, and 40Ah/25. Our aim is to provide electricity to those households basically for lighting by replacing the kerosene lanterns with solar lighting devices. The project, finished over the weekend, was well accepted by community.
