

Single-phase unit price of microgrid outdoor cabinet

Overview

Request quotes, compare prices, and simplify your procurement. Highly Integrated System: Includes power module, battery, refrigeration, fire protection, dynamic environment monitoring, and energy management in a single unit. Compact, flexible, and scalable from 81 kWh to 266 kWh per unit — the eSpire Mini is ideal for demand charge reduction, time-of-use optimization, and C&I backup applications. The eSpire Mini Energy storage system is a fully integrated, pre-configured turnkey solution for Large Residential and Light.
