

Steel Plant Use of Majuro Mobile Outdoor Cabinet

Overview

These cabinets feature fully welded Galvanneal 18 gauge steel double wall construction with 1 ½" gap for air space, which allows 16 times more corrosive resistance than regular steel – better to resist rust when outdoors. Other features include a slanted top with a rain gutter to guide rain or snow. Panel Built's modular equipment enclosures are engineered to protect your valuable machinery and systems from the elements and environmental hazards. This lockable storage cabinet featuring an elegant and minimalist design, easily blends into various home settings. It is suitable for a range of spaces including kitchens, bedrooms, bathrooms, offices, and garages, allowing for organized storage of kitchen spices, home appliances, toiletries. The WeatherStrong® Cabinet System isn't just a product—it's a complete approach to outdoor cabinetry. •For outdoor installation •For the legally-compliant.
